## Independent Auditor's Report

Board of Directors of  
Proclaiming Justice to the Nations, Inc.

### Report on the Financial Statements

We have audited the accompanying financial statements of Proclaiming Justice to the Nations, Inc. (a Tennessee not-for-profit corporation), which comprise the statement of certain assets and liabilities as of December 31, 2019, the related statements of revenue collected and expenses - modified cash basis and functional expenses - modified cash basis for the year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the certain assets and liabilities of Proclaiming Justice to the Nations, Inc. as of December 31, 2019, and its revenue collected and expenses during the year then ended in accordance with the modified cash basis of accounting described in Note 1.

### Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

**PROCLAIMING JUSTICE TO THE NATIONS, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED DECEMBER 31, 2019**

**Note 1 - Summary of Significant Accounting Policies**

*Nature of Activities*

Proclaiming Justice to the Nations, Inc. (the Organization) is a Tennessee not-for-profit corporation whose mission is to educate, advocate, and move to activate Christians and Jews and people of good conscience in building a global community of action and prayer in support of the Jewish people and the State of Israel. The Organization is supported primarily through donor contributions and grants.

*Basis of Accounting*

The Organization's policy is to prepare its financial statements on a modified cash basis that includes recording of depreciation and amortization on long-lived assets, payroll withholdings and accruals of payroll taxes, and credit cards payable. Under this basis, revenue is recognized when collected rather than when earned, and expenditures are generally recognized when paid rather than when the related liability is incurred. Consequently, accounts receivable, accounts payable, and accrued expenses, other than those mentioned above, are not included in the financial statements.

*Use of Estimates*

The preparation of financial statements on the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues collected and expenses paid during the reporting period. Actual results could vary from the estimates that were used.

*Cash*

Cash consists of cash on hand and on deposit at financial institutions.

*Property, Equipment, and Depreciation*

The Organization capitalizes expenditures for those items reasonably expected to last beyond the current year and above \$2,500. Contributed property and equipment is recorded at estimated fair value at the date of donation. Depreciation is provided by use of the straight-line method over the estimated useful lives of the related assets. Routine repairs and maintenance are expensed when paid.

*Advertising*

All advertising costs are expensed when paid.

*Income Taxes*

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation. The Organization believes that it has appropriate support for any tax positions taken and, as such, does not have any uncertain tax positions that are material to the financial statements.

*Program and Supporting Services*

The following program and supporting services are included in the accompanying financial statements:

*Program Services*

Includes the direct cost of operating the Organization and all of the related programs.

*Management and General*

Includes the functions necessary to ensure an adequate working environment and costs not identifiable with a single program. Applicable costs include those associated with providing coordination and articulation of the Organization's program strategy, business management, general record keeping, budgeting, and related purposes.

*Fundraising*

Includes costs of activities directed toward appeals for financial support, including special events. Other activities include the cost of solicitations and creation and distribution of fundraising materials.

**PROCLAIMING JUSTICE TO THE NATIONS, INC.**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
**YEAR ENDED DECEMBER 31, 2019**

**Note 1 - Summary of Significant Accounting Policies (Continued)**

*Functional Allocation of Expenses*

The costs of providing program services and supporting services have been summarized on a functional basis in the statement of revenue collected and expenses - modified cash basis. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Such allocations are determined by management on an equitable basis. The expenses that are allocated include occupancy, payroll taxes, salaries and wages, and telephone, which are allocated on the basis of estimates of time and effort.

**Note 2 - Availability and Liquidity**

At December 31, 2019, the Organization's financial assets available to meet cash needs for general expenditures within one year consist of cash in the amount of \$15,545.

As part of its liquidity plan, the Organization has a policy to structure its financial assets in order to have the funds available to meet its general expenditures, liabilities, and other obligations as they come due.

**Note 3 - Note payable**

The Organization has a note payable to an individual that was originated in February 2019. The note bears interest at a fixed rate of 6.0%. Subsequent to year end in June 2020 the note was modified and now matures in June 2025. The payment terms on the note were also modified and are due in monthly installments of \$5,000 beginning July 2020. If all payments are made timely the lender has agreed to waive all further interest from the date of the modification. As of December 31, 2019 the balance of the note payable was \$102,534.

**Note 4 - Concentrations**

In 2019 two donors accounted for approximately 29% of contribution revenue.

**Note 5 - Related Party Transactions**

The Organization rents office space from its founder. Total rent expense associated with this related party for the year ended December 31, 2019, was \$40,637.

**Note 6 - Subsequent Events**

The Organization's management has evaluated subsequent events through November 6, 2020, the date which the financial statements were available to be issued.

On March 11, 2020, the World Health Institute recognized the novel strain of coronavirus, COVID-19, as a pandemic. The extent of COVID-19's effect on the Organization's operational and financial performance will depend on future developments, including the duration, spread, and intensity of the pandemic, all of which are uncertain and difficult to predict considering the rapidly evolving landscape. If the pandemic continues to evolve into a long-term worldwide health crisis, the disease could have an adverse effect on the Organization's, results of operations, financial condition and cash flows.

On April 27, 2020, the Organization received a loan in the amount of \$56,391 in accordance with the PPP section of the CARES Act. Under this loan program, the Organization may be eligible for forgiveness of some portion of the loan up to 100%, if and when qualifying conditions are met. Accounting for the loan and any future forgiveness could have an impact on future financial reporting. As of the report date, management is actively monitoring qualifying conditions to maximize future loan forgiveness and has expended 100% on potential qualifying costs as defined by the legislation. The unsecured note bears interest at the rate of 1.00% and matures on April 27, 2022. As long as the Organization submits its loan forgiveness application within 10 months of December 31, 2020, the Organization will not be required to make any payments on the loan until the forgiveness amount is remitted to the lender by the U.S. Small Business Administration (SBA). If the loan is fully forgiven, the Organization will not be responsible for any payments.
